## RT Roll Turner

A simple, practical and cost efficient roll turner available with various options. Designed to be mounted in an electric crane for lifting and easy turning of paper rolls from horizontal into vertical position. The RT can place the paper roll directly in the rewind or unwind section of a slitter or a printing press.

### Optional:

- Lifting yoke for handling of rolls of max. width 700 mm (27.6").
- Support shaft of 610 mm (24") for rolls of max. width of 610 mm
- Shaft in other dimensions.
